Here are some notes:

1. The order will be determined in class.
2. We will have no official break during 9:10–12:10. Each team/individual will be given 20 minutes for the presentation.
3. Please do not forget to submit your slides to the instructor by **8am** of your presentation date. Your written report is due at **23:59pm** on your presentation date.
4. We will get all slides ready on a public laptop to minimize the switching time. Unless there is really a need, please prepare your slides in PDF or MS Powerpoint format. Please note that your slides are to facilitate your presentation. It should be clear and easy to read. You may give an interesting presentation, but your slides need not to be fancy.
5. Students are expected to listen to other students' presentations.
