

Programming Design, Spring 2013

Suggested Solution for Homework 01

Instructor: Ling-Chieh Kung
Department of Information Management
National Taiwan University

Problem 1

The example program can be found at the file “PDSp13_hw01_sol.cpp”.

Problem 2

In the first line in the main function

```
std::cout << "This is a \n;
```

there should be a right double quotation mark. Also in the next line

```
std::cout << "book."
```

there should be a semicolon.

Problem 3

The first line should be

```
#include <iostream>
```

instead of

```
#include <iostream.h>
```
